**Pastor Search Committee**

We will elect a Pastor Search Committee TODAY at the end of the worship service.

A committee member must be at least twenty-one years old and a member of Parkway for at least one year. The election will be by vote of the church members. The committee will be composed of seven members.

At the end of the service today, a ballot containing blanks for writing the names of seven men and seven women will be distributed to every church member in attendance. The ballots will be collected and given to the Chairman of Deacons and the deacons will tabulate the votes. Three men and three women with the highest number of votes and who are willing to serve will be elected. The final member will be the person with highest number of votes not yet elected to the committee and who is willing to serve.
